Tidbits from members

Note from **Dan & Maxine McIntyre** to Blair LittleJohn

Belonging to Florida Treasure Coast has been an awesome experience.

We have really enjoyed getting to know so many interesting people. The time has come for us to "close the window."

We will truly miss all of you.

Maxine

You may have heard we are "out of Airstreaming." We sold the Airstream, truck and site at TCPC. It was one of the hardest things we've ever done. After 18 years, most of it full timing, our life style has certainly changed.

It turned out to be a good decision to buy a house a few years ago in St. Augustine.

We wish the best for the Treasure Coast Unit members. Please keep us in the loop for news.

Have a Merry Christmas and a Happy New Year.

Love to all **Vickie & Dave Buttleman**

Best wishes to all our friends at the picnic. Wish we could be there with you!

Just for chuckles -

One of our members posted the important warning (on the next page) on his Facebook page awhile back. It is bound to make you laugh!
Apologies for my cutting and pasting job.)

Don't wash your hair in the shower

(It's so good to finally get a health warning that is useful)

**IT INVOLVES THE SHAMPOO WHEN IT RUNS
DOWN YOUR
BODY WHEN YOU SHOWER WITH IT A
WARNING TO US ALL!!!**

I don't know WHY I didn't figure this out sooner!
I use shampoo in the shower! When I wash my
hair,
the shampoo runs down my whole body, and
printed
very clearly on the shampoo label is this
warning,
"FOR EXTRA BODY AND VOLUME."

No wonder I have been gaining weight!
Well, I got rid of that shampoo and I am going to
start showering with Dawn dishwashing soap
instead. Its label reads,
"DISSOLVES FAT THAT IS OTHERWISE
DIFFICULT TO REMOVE."

Problem solved!
If I don't answer the phone I'll be in the shower!!!
